

The National Fuel Funds Network and National Low Income Energy Consortium offer partnership opportunities to those seeking to make a difference in the lives of low-income households. Contributors have a range of recognition options.

We offer donors the opportunity to direct their resources to specific interests and provide recognition for their support. Here are some popular sponsorship options:

**Nonprofit Agency Scholarships** ..... \$1,000 (three)  
(recognition at general session)

**Continental Breakfast Sponsorship** ..... \$10,000  
(signage recognizing sponsorship)

**Break Sponsorship (per break)** ..... \$4,000  
(signage recognizing sponsorship)

**Luncheon Sponsorship** ..... \$17,000  
(introduction of speaker, signage, recognition in program)

**Monday Evening Event Sponsorship** ..... \$17,000  
(signage recognizing sponsorship)

**Registration Sponsorship** ..... \$5,000  
(banner at registration desk, recognition in confirmation letters)

**NFFN New Members' Breakfast** ..... \$1,000

Contributors of \$15,000 or more whose payments are received by December 31, 2009, will have their logos placed on the front covers of the registration brochure and conference program booklet.

The NFFN and NLIEC rely upon the financial contributions of our partners and also upon donations of in-kind support.

We provide recognition for the generosity of our supporters. Those interested in supporting our work through an in-kind contribution, a financial contribution or both should contact our organizations' respective executive directors.

Please contact George Coling or David Fox to discuss the sponsorship opportunity that is right for you.
