

Ms. Buller's complete presentation contains several proprietary slides with reference to the Navajo Nation, so only one of her slides – the one that follows – is provided on the NUEAC website.

Those wishing to see the full presentation should contact Ms. Buller directly at Karen@niti.org.

A dramatic landscape with a lightning bolt striking a mountain peak under a stormy sky. The scene is dark and moody, with a bright orange and yellow glow from the lightning illuminating the clouds and the mountain. The lightning bolt is a bright, jagged line of light that strikes the peak of a mountain in the distance. The sky is filled with dark, heavy clouds, and the overall atmosphere is one of power and intensity. The text is overlaid on this background in a yellow, serif font.
