MISSION STATEMENT

www.rebuildingtogetherwashingtoncounty.org

Rebuilding Together * Washington County is a local affiliate of a national housing preservation organization that, in partnership with volunteers and donors in the community, repairs, rehabilitates and makes accessibility modifications for low-income homeowners, especially those who are elderly, disabled or families with dependent children, so that they may continue to live in warmth, safety and independence.

Rebuilding Neighborhoods "one home at a time"

Preference is given to elderly, disabled and families with dependent children homeowners. All our work is performed free of charge to qualified, selected homeowners. Applications are available by calling our office at (503) 644-4544 or at local libraries and senior centers and social service agencies.
