

Fuel Assistance

If your household's **gross** (before taxes and deductions) income falls under that listed below, the **New England Farm Workers' Council** can help with your **heating bill**; or, rent, if the heat- is-included.

Applications will be taken through May 15. We can pay for heating fuel usage, or deliveries back to November 1, 2008 up to your benefit level even if you have made payments. If the heat-is-included in your rent a percentage of the rent can be paid.
