

Fuel Assistance

Are you having trouble making ends meet?

If you are, and have a household **gross** (before taxes) income that falls under that listed below, we can help with your **heating bill**; or rent, if the heat-is-included.

Other potential benefits beside cash assistance include:

- **Discounts** for Unitil and National Grid
- A basic **Lifeline** rate with Verizon land line bills
- **Weatherization** - having your apartment or home insulated and weather stripped to help keep heat in your home
- **Burner repair or replacement** if you are a homeowner
- Oil customers whose Fuel Assistance benefits run out can receive a one-time delivery through the Citizens Energy Oil Heat Program after December 1.
